/world class
institute of coding

42 Prague z.ú.

/who we are and what we do

42 Prague is a full-time tuition-free coding institute

We provide an industry-leading coding education without teachers or classes.

We aim to offer education to all, free of charge, regardless of their experience or gender.

We focus on the employability of our students. Developing both hard and soft skills makes them great team players, they are proactive and can work independently.

42 | PRAGUE

/part of the
42 Network

First 42 campus
opened in Paris in
2013

54
campuses

31
countries worldwide
